

JORDAN VALLEY EMS AUTHORITY POLICY

POLICY #:202.2.1.11

SUBJECT: HAZARD COMMUNICATION

SDS/RIGHT TO KNOW

CAAS STANDARD: 202.2.1.11/106.2.1

SCOPE: ALL EMPLOYEES AND VOLUNTEERS

PURPOSE:

To ensure that all employees are educated in accordance with State and Federal rules for hazard communications.

POLICY:

The Authority will maintain SDSs on all chemicals and other potentially hazardous substances that employees may be exposed to as a result of their job functions.

PROCEDURE:

This policy will be implemented using the following procedure:

1. All applicable State and Federal safety posters will be kept up to date.
2. The Authority will maintain master copies of SDSs and additional copies will be placed in a prominent location within the EMS Station supply room, 555 Maple St, East Jordan.
3. Employees will be informed via posting of any new SDSs.
4. Employees will be trained annually on hazard communication, "Right to Know" laws, SDS, and other procedures concerning potentially hazardous materials in the work place.

POLICY HISTORY:

Implemented February 1, 2015
