

## NOW HIRING – Emergency Medical Technician

Full & Per Diem Shifts Available • 48-Hour Full-Time Weeks • Competitive Wages

### Position Overview

The EMT serves as a vital member of Jordan Valley EMS Authority, providing advanced life support (ALS) care to residents and visitors in our service area. EMT's deliver compassionate patient care, ensure safe and efficient transport, and act as leaders in emergency response situations.

### Essential Duties & Responsibilities

- Provide BLS interventions and assist Paramedics while responding to 911 calls
- Perform complete patient assessments and determine appropriate treatment
- Document patient care accurately in the ePCR system
- Ensure compliance with agency policies, protocols, and licensing standards
- Safely operate and maintain EMS vehicles and equipment
- Maintain the physical ability to lift and move patients and equipment

Join Our Team!

### Qualifications

- Current Michigan EMT License (in good standing)
- Current BLS/CPR Certification
- PHTLS/ITLS preferred
- Valid Michigan Driver's License with acceptable record
- Prior 911 EMS experience preferred, but not required
- Ability to work rotating shifts, weekends, and holidays

### Compensation & Benefits

- Competitive Wages based on experience and qualifications
- MERS Pension program participation
- Health, dental, and vision insurance (for full-time staff)
- Paid time off and holiday pay
- Uniforms provided
- Continuing education and agency-paid training

### Employment Status

- Full-Time: 48 hours per week (rotating schedule)
- Per Diem: Flexible shifts available
