

JVEMSA FLEET SERVICES

EMERGENCY VEHICLE REPAIR • MAINTENANCE • UPFITTING

AMBULANCES • FIRE APPARATUS • POLICE VEHICLES

KEEP YOUR FLEET READY. KEEP YOUR COVERAGE STRONG.

WHAT WE DO

JVEMSA Fleet Services provides specialized service for the complete emergency vehicle – chassis, body or module, warning systems, accessories, and mission-critical equipment. From routine oil changes and preventative maintenance to diagnostics, repairs, and upfitting, we help agencies reduce downtime and keep front-line units in service.

CORE SERVICES

- Preventative maintenance and PM programs
- Oil changes, inspections, and scheduled service
- Diagnostics and mechanical repair
- Brake, steering, suspension, cooling, and driveline work
- Electrical troubleshooting and accessory repair
- Ambulance, fire, and police upfitting / modifications
- Fleet inspections and written repair recommendations
- Mobile service available
- Pickup and delivery by arrangement
- 24/7 availability for critical fleet needs

WHY AGENCIES CHOOSE US

- Focused on first-response fleets
- Service for ambulances, fire apparatus, and police vehicles
- Factory diagnostic capability and stocked parts support
- Familiar with public-safety vehicle maintenance needs
- \$6 million liability insurance

FLEET PROGRAM SUPPORT

- Written estimates available prior to repairs
- Annual fleet PM planning and service schedules
- Vehicle inspection reports and repair recommendations
- Support for multi-unit agency service planning

Brakes	Visual/operational check	Detailed brake inspection	Brake measurement documentation
Steering and suspension	Basic safety check	Detailed linkage/suspension inspection	Annual-level inspection and defect report
Driveline and undercarriage	Visible leak/damage check	U-joints, driveline, exhaust, frame review	Full underbody, frame, mounting, exhaust, and driveline review
Emergency vehicle systems	Lights/siren basic operational check	Expanded emergency equipment power check	Full emergency lighting, siren, shoreline, inverter/charger, compartments, and safety check
Documentation	Service checklist	Service checklist and defect list	

ADD-ON SERVICES

• Annual DOT inspection certificate, standalone	\$150 medium-duty / \$225 heavy-duty
• Mobile service call within 25 miles	\$95 trip charge plus labor
• Mobile service outside 25 miles	\$145 per travel hour plus labor
• Emergency after-hours response	\$225 per hour, 2-hour minimum
• Scheduled shop labor	\$130 per hour
• Holiday service call	\$300 per hour

IMPORTANT NOTES

All listed prices are labor and service pricing only and do not include parts, fluids, filters, oils, disposal fees, taxes, towing, or additional repairs unless otherwise stated. Pricing is intended for public safety agencies and government fleets and may vary for unusually configured apparatus, severe-service vehicles, or extensive accessibility requirements. Repairs discovered during inspection require agency authorization before work is performed, except where an existing service agreement authorizes pre-approved work limits.
